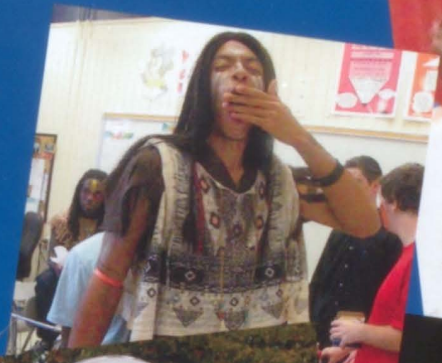
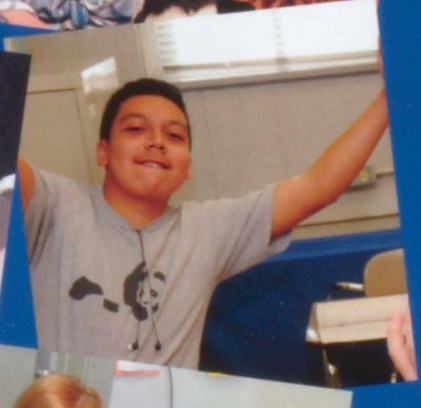
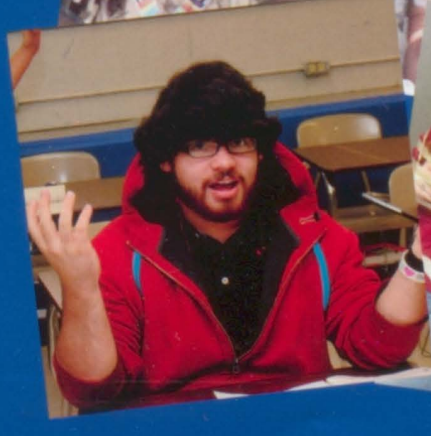
"Sunday Shoes, Cap and Gown
The whole town gathered around
Waited 18 years now it's all comin down to this.
I scanned the crowd and it fills my soul
My best friends all here in rows
No turning back, Now its time to walk that line
This tassel is gonna turn"







"Friday night, football games,
First loves and first heartbreaks,
It didn't matter who won or lost,
Only how we played,
Memories as good as gold,
Tearin' up those mountain roads,
racin' out 53, to old georgetown,
sure we made a little trouble,
but learned from every mistake,
so there's no regret,
we've done the best we could
so i'm not gonna cry, no
not one sad or happy tear
i've waited my whole life
now im gonna fly right outta here"

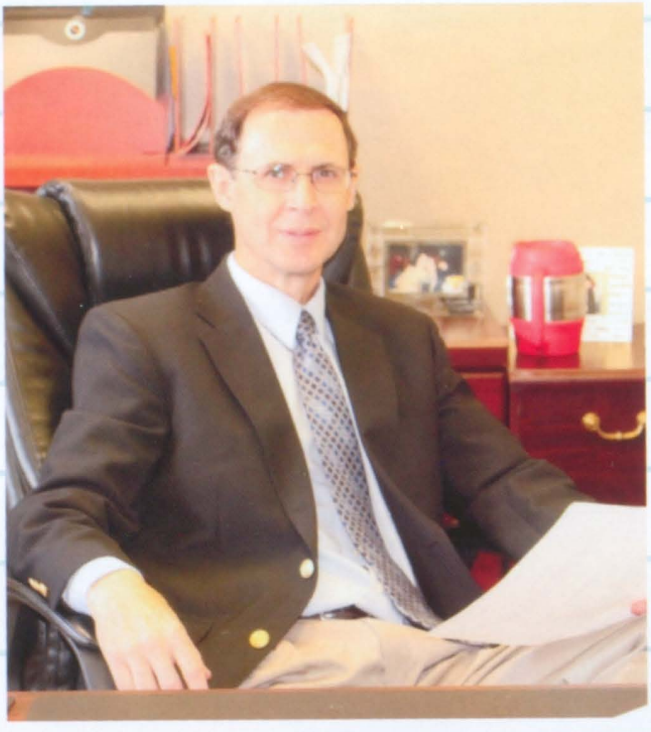
ALL IN A DAY'S WORK

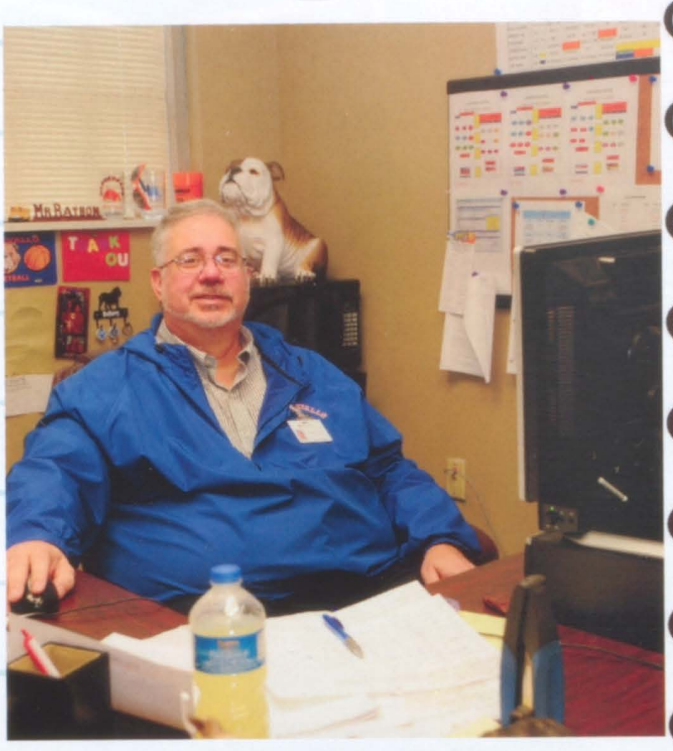
LEADING THE WAY

ADMINISTRATION



GARY MINNICK
PRINCIPAL

MHS has a new leader as principal this year! Mr. Minnick is a long-time resident of Montevallo, but this is his first year as principal. He comes with a great deal of experience as an administrator and teacher in the Shelby County School System. He received his BA degree from Wilmington College with a degree in Elementary Education & Spanish, his MA in Elementary Education from the University of Montevallo, and his EdS degree in Educational Administration from the University of Montevallo. We have seen many positive changes at MHS under his leadership, and his main goal is to make Montevallo High School THE MODEL OF EXCELLENCE!



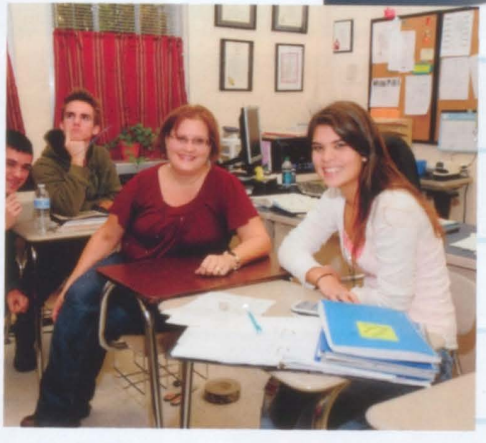
KEVIN RAYBON
ASSISTANT PRINCIPAL

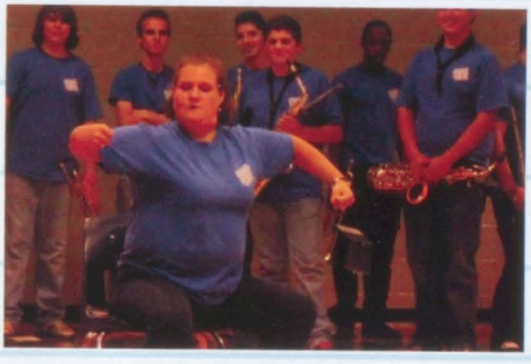
Mr. Kevin Raybon has been at MHS for twenty-three years, serving seventeen years as a teacher and coach and the last six years as assistant principal. We call him "Coach Raybon". He says that the favorite parts of his job are building relationships with faculty, staff, parents, and community members and watching students grow and mature. Coach Raybon's favorite thing about MHS is having the opportunity to work with a professional staff and faculty and building life-long relationships with the students who attend Montevallo High

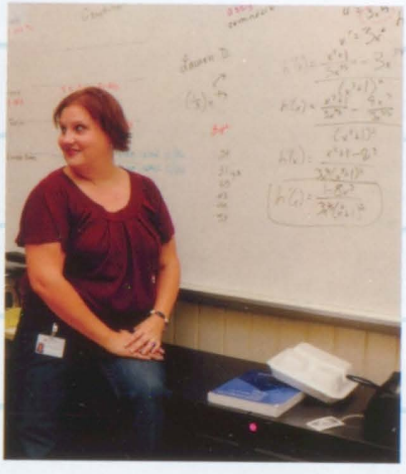
TEACHER OF THE YEAR

DAWN

CABRERA







This year's MHS Teacher of the Year is Mrs. Dawn Cabrera. Mrs. Cabrera has 18 years teaching experience. She received triple BS degrees from Middle Tennessee State University in Mathematics, Computer Sciences, & Secondary Education, and her Masters degree from UAB in Mathematics. Mrs. Cabrera also teaches night classes at Jeff State Community College. She teaches Algebra II, Honors Algebra II, Pre-Calculus, Honors Pre-Calculus, and AP Calculus. Even with all the courses she teaches, she still makes time to serve as auxiliary sponsor for the Marching Troubadors, FTA sponsor, Math Team & Mu Alpha Theta sponsor, First Priority sponsor, Literacy Team member, FFA Alumni Treasurer, & PTO Treasurer. She is also an active member of her church where she serves as Technology Coordinator.

Senior Shannon Latham states that "Mrs. Cabrera is the most dedicated teacher I've ever met." Junior Danielle Blake also had words of praise for Mrs. C. She stated that "Not only does she teach, but she does a lot of exta curricular stuff. She breaks down the math concepts so that we understand it."

"Feel the flame forever burn; Teaching lessons we must learn; To bring us closer to the power of the dream".....

"So rock me mama like a wagon wheel
Rock me mama anyway you feel
Hey mama rock me
Rock me mama like the wind and the rain
Rock me mama like a south-bound train
Hey mama rock me"

"Runnin' from the cold up in New England
I was born to be a fiddler in an old-time string band
My baby plays the guitar
I pick a banjo now
Oh, the North country winters keep a gettin' me now
Lost my money playin' poker so I had to up and leave
But I ain't a turnin' back
To livin' that old life no more"

"Headed down south to the land of the pines
I'm thumbin' my way into North Caroline
Starin' up the road
And pray to God I see headlights
I made it down the coast in seventeen hours
Pickin' me a bouquet of dogwood flowers
And I'm a hopin' for Raleigh
I can see my baby tonight"

FOREIGN EXCHANGE STUDENT

Kajo Krummenacher joined us at MHS this year as a foreign exchange student. His home is in Lucerne, Switzerland. Kajo comes from a high school of 1,800 students, so life at MHS has been different for him. He says that he was very impressed with the beauty of the University of Montevallo campus area, especially Flower Hill. He also says he has enjoyed seeing how Americans go to school and has made some good friends including Horatio Martinez, Austin Spears, and Mitch Sanders.

"Life's a fastball, belt high, coming right down the middle. Don't stand there and let it go bye swing hard and aim for the stands! My field of dreams was covered in stone, an old gravel Parkin' lot next to our home. Dad on the mound until the daylight was gone, sayin 'boy keep your eye on the ball' cause it's "hey batter, hey batter, swing batter, swing" the world is an infield always chattering."
